IN APPRECIATION.
I desire to take this means of thanking my friends for the loyal and wholehearted support given me in the school election held on Saturday, April 1, and will endeavor at all times to look after the wants of the taxpayers in the same manner that I devote my efforts to my own interests.

Upon their return Mr. Drows will close up his business associations here and leave in the spring for Oswego, N. Y., where he will open a new store for the Penney company. Mr. Drows will be succeeded as manager of the Tonopah store by Mr. Sullivan, who enjoys a wide acquaintance throughout Nye and Esmeralda counties. The naming of Mr. Sullivan as manager of the local institution will be generously received by the people of Tonopah as he is a live wire and will be found filling the bill to the satisfaction of the company, as well as the hundreds of patrons with whom he has become acquainted during his residence here.

Funeral Services Held Over Remains Mrs. Sauer

Funeral services over the remains of Mrs. Della Sauer, who died Saturday morning at the family home, near the new Midway shaft, took place this afternoon from the funeral home of Wonnacott & Cavanaugh, and were attended by a large number of people who had known deceased during this life. Many followed the remains to the local cemetery where, amid impressive ceremonies, they were laid to rest. Mrs. Sauer had resided in Tonopah since 1916, coming here from Goldfield where she and her husband had resided since 1914.

Horse Thief Is Captured Without Promised Fight

Cliff Regan, charged with stealing two horses in the vicinity of Lida, has been arrested at Sharp, according to a wire received by Sheriff Thomas, from his deputy, Charles Stevens, of that place. COMBINATION IS RAIDED AND TWO MEN ARRESTED

Complaints were sworn to in the court of Justice Cuddy this morning charging Alex Brostrom, proprietor, and Matt Matson, clerk, with violation of the state prohibition law. Chief of Police O. H. Smith made a raid Saturday night on the Combination soft drink parlor on Main street, and found a bottle of moonshine in a coat that was hanging up. The raid followed a number of complaints that had been received that men in an intoxicated condition visited the place. The defendants were released on bonds and will appear in court tomorrow morning.

BLOCKER IN SPLENDID SHAPE, DESPITE FAST

George Blocker, self-styled colored minister, who is held in the county jail on the charge of murder, while refusing to partake of food for three weeks, is in no danger of passing to another world. Advice from the sheriff's office are to the effect that Blocker is about the liveliest corpse in Tonopah, and he will probably be in condition to go to trial on April 24, as scheduled by the court. In case Blocker should refuse to continue to partake of food he will probably be fed forcibly.

TO MY FRIENDS.

To those who showed such splendid loyalty during the school election by honoring me with such a splendid vote, although I had no opposition, I wish to express my sincere and earnest appreciation. I assure you all that I will endeavor to fulfill the duties incumbent upon me in the same conscientious manner that I have followed in the past in the school interest of Tonopah.

CARRARA MEN WILL OPERATE RICH FLORENCE

L. W. Dye and Associates in Carrara Marble Company. Secure Lease Privilege.

A minimum of \$10,000 and as much more as may be considered necessary for the thorough prospecting of a leased block in the Florence is to be spent by three bankers who were members of the party that passed through Goldfield recently after inspecting the marble quarry and works at Carrara, in which they are interested. The affairs of the lease will be handled by L. W. Dye of Carrara and the superintendent will be R. C. McCarthy, who is also superintendent of the Florence mine.

The leased block includes half of the Cornsman claim, and about a quarter of the Florence claim, down from the seventh, or 550-foot level. The work will be done on the eighth, or 550-foot level and the objectives will be the Jumbo, Baby Florence and Florence Consolidated veins, which were large producers about the seventh level, but which are undeveloped below that depth. The Jumbo and Baby Florence veins produced heavily from just above the seventh level. There is a large undeveloped territory included in the block. It was in this part of the Florence that Dick and Towne, less than a few months ago spent a considerable sum, quitting work when they were nearly at their first objective. The work done by them will be continued and it is said that two faces will be driven simultaneously after the preliminary work has been completed.

The men financing the lease are reported to be wealthy and it is said that if conditions warrant they will be ready to go far beyond the \$10,000 mark to find out what the ground contains. It will be known as "the bankers' lease" because of the business of the three men who were so disappointed with the conditions pointed out to them in the Florence that they decided to take a chance. The opening of ore in the block would be important, as it is said this would result in the expenditure of an amount far in excess of the \$10,000. Before the lease was taken the block was examined by W. R. Calvert, a Salt Lake consulting engineer.

Preliminary work was started this morning.

AMUSEMENTS

"HAIL THE WOMAN" COMING TODAY.

Declared by critics to be one of the greatest photoplay classics of all time—a human epic of triumphant realism—"Hail the Woman"—Thos. H. Ince's super drama of American life, will be shown at the Butler today.

There are as many different opinions as to what constitutes a "good picture" in the fullest sense of the word, as there are colors in a rainbow. Yet all opinions agree on the subject of "Hail the Woman."

One critic, who prides himself on having seen every production of note in the realm of motion pictures, sat spellbound through the preview. At the conclusion he walked out of the theater, slowly and deep in thought. Then turned to his companion and said: "I do not know what some people call a 'good' picture, yet, if a picture that makes you leave the theater with tears in your eyes, and a happy heart, and a desire to accomplish an indefinite something great, is a good picture, then 'Hail the Woman' is one of the best pictures I have ever seen."

Tomorrow—Seena Owen and Mat Moore in "Back Pay," the story of a girl who went to New York to get her "back pay" for what she thought she had missed in the country.

Former Comstockers Organize Coast Club

Former residents of Virginia City, whose love for the old Comstock has never died, have organized by mutual consent into a social club at San Francisco, which boasts the absence of a constitution, a president and dues. The first meeting was held Saturday in the Hotel Whitcomb, the San Francisco Chronicle says. Other meetings are scheduled for the second Saturday in each month. The founders are:
